

World of Work

Industry Immersions for
Year 9, 10, and 11 Students

Skilling THE BAY

Creative Industries

Explore careers in the creative industries, where personality and innovation come to life. It's all around us, in the clothes we wear, the music we listen to, and what we see on our screens. Consider careers in graphic design, sound engineering, theatre design, creative direction, and more.

Why attend?

Hands-on
sessions

Career advice
from industry
professionals

Workplace tours, panel
sessions & activities
